- ❖ This workshop will focus specifically on pension planning and retirement. Whether members are 15 years from retirement or six months away, they will discover common sense financial strategies and retirement planning ideas.
- ❖ The workshop will be approximately 2 hours long and will provide opportunities for members to ask questions during the presentation or to speak privately with the Presenter.
- ❖ Members who have attended the OSSTF OMERS workshops have found the practical approach to be useful and enjoyable and that the workshop provides them with all the retirement information they need.
